Wij streven ernaar in de conditierapporten een zo nauwkeurig mogelijk beeld te schetsen, maar helaas zijn niet alle retouches en overschilderingen onder een dikke laag oppervlaktevuil of sterk vergeelde vernislagen zichtbaar onder UV-licht. Wij kunnen dan ook als veilinghuis niet aansprakelijk gesteld worden.

Our aim is to provide condition reports as accurate as possible, but not all retouches and overpaintings under a thick layer of surface dirt or strongly yellowed layers of varnish are visible under UV-light. We can therefore not be held accountable.
